

Week 2: Goals & Dreams

Dear Mentor,

As you will see in the full programme syllabus, week 2 will focus on goals and dreams. It's the perfect opportunity for you to share with your mentee some of your goals and dreams, be they professional or personal, and perhaps how you worked/are working towards them. By sharing strategies that you have found useful to accomplish your goals, your mentee will find it easier to visualize her own goals and find ways to achieve them. Please do feel free to ask your mentee about her dreams and goals and share any advice you deem relevant to the subject. For more details about this week's session, please don't hesitate to refer to week 2 of the **full programme syllabus** on your dashboard, where you'll find some sample questions, tips and other resources.

Then send your email via your inbox to your mentee.

Our team is committed to guiding you throughout the e-mentoring programme. Please don't hesitate to contact us, if you have any questions.

We wish you a great week!
